To Our Valued Patients:

Please be advised that Central Bucks Family Practice is transitioning to a new computer system that will be implemented on July 5, 2017. You will be required to present your insurance card and photo ID at every visit. Please arrive at least 15 minutes before your scheduled appointment. This will allow us sufficient time to complete our check-in process. Please bear with us as the new system will be better for both our patients and our practice.

Thank you in advance for your assistance.

The Physicians and Staff at Central Bucks Family Practice
